

How can I *get involved?*

Hawley welcomes and encourages the help of parents and other family members with school activities and events, and also supporting the management of the school. There are formal school organizations such as school boards and your PTA, that encourage parental involvement, but there are also many informal ways of helping out. For example:

Join Your PTA: The Parent Teacher Associations (PTA) is an informal way for parents and teachers to communicate with each other. There are meetings to discuss areas of interest or concern, raise funds for the school, and host social events.

Room Parent Volunteer: Room parents and teachers are happy to coordinate current and future opportunities inside and outside the classroom.

Computer Lab Volunteer: If you enjoy working with children and have 40 minutes available each week (kindergarten starts in January and comes for 30 minutes). No computer experience is required, just a willingness to help all children in class. Please note that not all teachers utilize parent volunteers in the lab.

Library Volunteer: The Hawley Library is a wonderful resource for our children with many opportunities to volunteer. If you have never worked in the library there is training provided and continued support throughout the school year. Volunteer times are available during your child's library time or any time that is convenient for your schedule.

Student Enrichment Programs Volunteer: So many to choose from! Check out the Committee Roster on our home page for a complete list.

Share a Fundraising idea: Please feel free to email our 2nd Vice President with your suggestions. We welcome new ideas!

School Picture Volunteer: This is a one day commitment. Contact our School Picture Committee Chair (name, phone number, and email can be found on our Committee Roster on our home page) for details.

Attend PTA Meetings: See our home page for a link to our meeting schedule.

Fundraising Program Volunteer: Contact our PTA President for open positions, and proper contacts.
